### MATERIAL SAFETY DATA SHEET

#### 1. CHEMICAL PRODUCT AND COMPANY IDENTIFICATION

Product Name: Bispyribac-sodium 10PCT w/v SC

Address: Jiangsu United Agrochemical Co., Ltd.

11-Zitanyaju, 126 Mengdu Street, Nanjing, China 210019

Plant: Nanjing Economic & Technology Development Zone

Telephone: 86-25-86520571 Telefax: 86-25-86520572

#### 2. COMPOSITION INFORMATION ON INGREDIENTS

Substance/Mixture: Formulation

Chemical Name: Sodium 2,6-bis[(4,6-dimethoxypyrimidin-2-yl)oxy] benzoate

Common Name: Bispyribac-sodium (proposed to ISO)

CAS No.: 125401-92-5

Ingredients and Composition: Active ingredient 10% (w/v) (Bispyribac-sodium)

Inert ingredient 90% (w/v) (Surfactant, water, etc.)

Chemical Family: Pyrimidinyl carboxy compounds

Formula: C<sub>19</sub>H<sub>17</sub>N<sub>4</sub>NaO<sub>8</sub>

#### 3. HAZARDS IDENTIFICATION

Adverse Human Health Effects: Effect of over exposure: We have never faced the poisoning problem attributed to Bispyribac 100 SC on laboratory researchers, factory workers and users, however, over-exposure experiments on animals showed that the administration of an extra-ordinary large quantity of Bispyribac 100 SC may cause hypoactivity, abnormal walking and prostration.

#### 4. FIRST AID MEASURES

Skin Contact: -----Wash material off the skin in flowing water or shower with soap. If irritation persists, consult a physician immediately.

Eye Contact: -----Immediately flush with copious amount of water for at least 15 minutes. If irritation persists, consult a physician.

Inhalation: -----Remove the victim to fresh air and keep him warm and quiet. Get a medical attention immediately. If not breathing, clear the airway and give artificial

---

respiration. If breathing is difficult, give oxygen.

Ingestion: -----Induce vomiting by giving one or two glasses of water. Get a medical attention immediately. If the victim is unconscious or having convulsions, never give fluids nor induce vomiting.

## 5. FIRE FIGHTING MEASURES

Flash Point: Not available

Flammability: Not applicable

Extinguishing Media: Water, dry chemical powder, foam or carbon dioxide

### Special Fire Fighting Procedure:

- Use water, dry chemical powder or carbon dioxide in extinguishing.
- For a fire in surrounding area, apply water to cool and protect surrounding equipments. Remove containers, if feasible, from the fire area to safe place immediately.
- Fire fighters should wear protective gears including a positive pressure self-contained breathing apparatus (SCBA). Evacuate non-essential personnel.

## 6. ACCIDENTAL RELEASE MEASURES

- Evacuate non essential personnel by roping the area of leak or spill. Evacuate people upwind of the spilled area. Remove all sources of ignition; No flares, smoking, or flames in the area immediately. Wear protective gears and never work downwind.
- For small spills, adsorb with inert materials (e.g. dry sand or earth), then place in a waste chemical container for disposal. Flush residual spill (area) with a plenty of water.
- Prevent spills from entering sewers, watercourses or low areas.

## 7. HANDLING AND STORAGE

### Handling Precaution: KEEP OUT OF REACH OF CHILDREN

- When handling and spraying the product, wear duty working clothes, cap, gloves, glasses and mask to avoid contact with skin, eyes and inhalation of dust, fog and vapours.
- After work thoroughly wash hands, face and possible exposed areas of body and change clothing.

### Storage Precaution:

- Keep containers tightly closed and store in a cool, dark and dry place.

## 8. EXPOSURE CONTROL/PERSONAL PROTECTION

# 江苏联合农用化学有限公司

---

Control Parameters: ACGIH TLV (1992-93) Not established

Engineering Controls:

. • The use of local exhaust ventilations is recommended. Containers should be kept tightly closed.

. • Make available emergency showers and eye washes in a work area.

Personal Protective Equipment:

. • Wear chemical cartridge respirator with an organic vapour cartridge, airline respirator, positive pressure self-contained breathing apparatus, safety goggles, gloves and boots as appropriate.

### 9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance, Physical state, Form, Colour, Odour: Almost odourless off-white viscous suspension concentrate

Specific Gravity: 1.059 – 1.070 (20°C) Viscosity: 300 – 600 mPa

Suspensibility:  $\geq 90\%$

Dispersibility: Good

Compatibility: Compatible to almost all pesticides

Heat Stability: Stable

Cold Stability: Stable pH: 8.5-10.0(x1)

### 10. STABILITY AND REACTIVITY

Flash Point: Autoignition Temperature: Explosion Limit: Stability and Reactivity:

Hazardous Polymerization: Incompatibility: Storage Stability: Not applicable Not

applicable Not applicable Stable under normal conditions Not data available Compatible to almost all pesticides Stable for 3 years if stored in a cool, dark and dry place.

### 11. TOXICOLOGICAL INFORMATION

Acute Toxicity:

Oral: LD50 (Rat) >5,000 mg/kg (male & female)

Dermal: LD50 (Rat) >4,000 mg/kg (male & female)

Inhalation: LC50 (Rat) >3.99 mg/L (4 hours exp.)

Irritant Properties:

Eye irritation: (Rabbit) Not irritant

Skin irritation: (Rabbit) Mild irritant

Allergenic and Sensitizing Effects: (Guinea pig) Not sensitizing

Mutagenic effects: (Ames test) Negative (S-9 Mix + or-) (Technical grade)

### 12. ECOLOGICAL INFORMATION

Fish Toxicity: Bluegill sunfish TLm96 >100 ppm

---

Common carp TLm96 >100 ppm

Daphniamagna TLm48 >100 ppm

Avian Toxicity: Bobwhite quail Acute LD50 (Oral) >2,000 mg/kg

Mallard duck Acute LD50 (Oral) >2,000 mg/kg Earthworm

Toxicity: Acute LC50 >1,000 ppm (14 days exp.)

Honey bee Toxicity: Topical LD50 >200 µg/bee

## 13. DISPOSAL CONSIDERATIONS

- Waste should be disposed of in a chemical incinerator equipped with afterburner and scrubber.
- Do not dump into sewers or into any body of water.

## 14. TRANSPORT INFORMATION

•ADR/RID

Not dangerous goods

IMDG

Not dangerous goods

IATA

Not dangerous goods

## 15. REGULATORY INFORMATION

Follow all regulations in your country.

## 16. OTHER INFORMATION

To the best of our knowledge, the information contained herein is accurate. However, we cannot assume any liability whatsoever for the accuracy or completeness of the information contained herein.
